BEHIND THE WHISTLE

presents whistle blower ... Peter Watt. Peter has been a referee in our league for about 10 years. He claims to enjoy it. “Most of the divisions are respectful of the refs. They realize that we are volunteering our time and even on those rare occasions when we make a mistake the guys realize that it’s not the end of the world. It’s great being out there with the guys.” After 25 years in the league Peter has graduated to the “B” Division and has become a stellar addition to any team fortunate enough to be blessed by his presence. Thanks to the Men in Black – and white stripes.
